

Northeastern Ontario Youth Internship Program

Is your business looking to undertake a project related to innovation, digital economy or trade?

We may be able to help you hire a youth intern.

The Northeastern Ontario Youth Internship Program, supported by FedNor and brought to you by your local Community Futures Development Corporation, helps post-secondary graduates obtain crucial professional experience and, in turn, provides Northeastern Ontario businesses with access to educated and motivated young people to help support their goals.

Your business could qualify for up to 50% (to a maximum of \$31,500.00) for the eligible costs of salary, employee benefit expenses, professional/business skills development and associated travel costs for a period of 12 months in a full-time position.
